RE: JA0040 Dublin Mountains Visitor Centre and further
information

Dear Sir

I have already made two submissions on this matter dated
20th September 2017 and 8th January 2018. I would like to
re-state my submissions and also add re : further
information supplied by the applicants in response to
request from ABP.

This information appears to be an entire rewriting of the
earlier information and is on a number of topics not
requested by yourselves.

On pages 57 and 63 of the Natura Impact Statement there
are acknowledgments that the proposed development will
have adverse affects on the Wicklow Mountains SAC and
Wicklow Mountains SPA " *these effects include a decrease
in the extent of available hunting habitat and prey items
in the SPA*" How can this be 'mitigated'?

Given the amount of new material I am requesting a
reopening of the Oral Hearing, unless ABP reject this
proposal.

Yours faithfully

Eithne Clarke
