

Change to Traffic Layout at M50/N7 (Red Cow) Junction 9 from Saturday 25th of October 2008

PROGRESS
UPDATE M50

From Sat 25th Oct at 8am the following changes will be in place at the M50/N7 Junction

(Expect delays during set-up from
10pm Friday 24th to 8am Saturday
25th October)

■ CLONDALKIN TRAFFIC.

- M50 northbound to Clondalkin, M50 southbound to Clondalkin and Naas Road (R110) to Clondalkin will continue to use the temporary U-bend to access Clondalkin via temporary traffic signals until the new "Bowstring Bridge" is operational in mid November 2008 (coloured yellow).

■ LUAS PARK AND RIDE TRAFFIC.

- N7 eastbound to Luas Park & Ride traffic will turn right at the old Monastery Rd Junction and travel through the temporary U-bend to access the Park & Ride via temporary traffic signals. Traffic exiting the Park & Ride is unaffected.

— — — PEDESTRIAN/CYCLIST TRAFFIC.

- Monastery Road to Luas Red Cow Stop, pedestrian/cycle traffic will use a temporary footpath over the new Bowstring Bridge from the 6th of November (shown dotted green).
- Naas Road (R110) to Luas Red Cow Stop, pedestrian/cycle traffic will use a new route parallel to the Luas Tramway (shown dotted green).

■ OUTBOUND TRAFFIC TO NAAS, ETC.

- M50 southbound to N7 outbound traffic will travel under the new "Bowstring Bridge" via temporary traffic signals to Naas (coloured red).
- M50 northbound to N7 outbound traffic will travel straight-ahead under the new "Bowstring Bridge" via temporary traffic signals to Naas (coloured red).
- Naas Rd (R110) to N7 outbound traffic will travel straight-ahead under the new "Bowstring Bridge" via temporary traffic signals to Naas (coloured red).

■ M50 NORTHBOUND TO CITY TRAFFIC.

- M50 northbound to City Traffic will use the New Free-flow Off-ramp linking directly to the City from 6am on Friday 24th October 2008 (coloured purple).

Please exercise care when using the revised layout
