Proposed Green and Pedestrian Cycle Route along the Grand Canal from 12th Lock to Inchicore incorporating 110KV Ducting
Presented to the requirements of the above, notice is hereby given of the proposed construction by South Dublin County Council of the above scheme.

- The proposed works will comprise of the following:
1. The construction of 6650 m of pedestrian and cycleway along the southern barge of the Grand Canal from the Maas Road at Inchicore to 12th Lock Road at Straean Castle.
 2. The proposed new pedestrian footpath will be 2.0m wide and will run parallel and adjacent to a minimum 1.5m cycleway. The cycleway will widen to 2.0m where possible.
 3. The provision of public lighting and security CCTV along the entire length of the route.
 4. Provision of ducting for Public Lighting, CCTV, 110KV power cables and communication cables together with associated connection and pulling chambers.
 5. The provision of public amenity seating and litterbins along the route.
 6. Construction of designated fishing points along the route.
 7. The construction of access ramps to allow impinged access to and from the route from Park West Avenue, Farnhill Road and the Older Relief Road. Access will be maintained and improved at Killeen Road and 12th Lock Road and 12th Lock Road.
 8. The provision of townam (pedestrian and cycle) crossings at 12th Lock Road and Killeen Road.
 9. The provision for future pedestrian bridges at key points along the route to link to future developments on lands to the north of the canal.
 10. The provision of upgraded landscaping with native planting.
 11. Provision of the appropriate directional signage and markings.
