

NOTES:

- To facilitate the installation of the new Tandy's Lane Footbridge a temporary road closure is required on the N4 Inbound on Saturday the 27th of September 2008, for 1 night.
- N4 eastbound traffic will follow the detour route shown: N4 > Lucan Slip Ramp > Leixlip Road > Tandys Lane > N4 which is a length of 650m.
- 2 VMS signs are to be erected to warn drivers of the detour along with additional detour signs as shown.
- Temporary Traffic Management System for Phase 2 Stage 2 will apply to the area also during the works.
- Water barrier and cones will be used to close off the road.
- Pedestrians will not be able to use the bridge during the works and an alternative route is shown.
