SOUTH DUBLIN STUDENT ENTERPRISE AWARDS COUNTY FINAL 2015

Welcome to the Student Enterprise Awards South Dublin County Final 2015

Local Enterprise Office South Dublin and sponsors welcome you to the 2015 Student Enterprise Awards County Final. This year we are once again fortunate to have the Institute of Technology, Tallaght as our venue for the final and we hope that you enjoy the experience.

Congratulations to all of you finalists who are here today representing your school at county level. Today culminates many months of hard work, fun and hopefully profits too! You, as finalists and active participants in the programme, along with your teachers and parents, deserve special commendation as, without your commitment and support this competition could not take place.

We are delighted to have our champions on board again this year to help make this event the best ever with more than 20 student awards across all categories.

As young entrepreneurs, you are the future lifeblood of the Irish economy. And who knows: today a student entrepreneur tomorrow a business trailblazer?

We sincerely thank you for all your efforts.

Go n'éirí an t-ádh libh
